MEMORANDUM FOR: Director of Information Technology

FROM:

[REDACTED]  
Director of Development and Engineering

25X1

SUBJECT:

OIT Support of a Mass Storage Study [REDACTED]

25X1

1. The Office of Development and Engineering is undertaking a mass storage technology study. The study will address the mass storage requirements of each major program within OD&E over the next 15 years and assess the applicability of available and projected mass storage technologies to these requirements. [REDACTED]

25X1

2. A senior level individual with computer technology and OD&E systems background is required to support this effort. [REDACTED] of your office has been identified as a strong candidate to help us. I am requesting [REDACTED] support for this study. The study period is from 1 September 1986 through 15 January 1987; about a quarter of his time is needed during this period. [REDACTED]
